Business Delegation

The business trip is designed for company representatives and public authorities from construction industry from Romania with an interest in modernization and investment for machinery and other equipment. The project focuses on road and infrastructure construction, covering the following areas:

- Construction machinery, construction vehicles, construction equipment and tools
- Construction technology, building materials and construction chemicals
- Building materials recycling
- Construction planning, construction software, digital solutions, AI

The program “Bayern - Fit for Partnership” is initiated by Bayern International, an export-promotion and location marketing company of the Free State of Bavaria. The meetings, company and site visits are organized by the German implementation company em&s, based in the Bavarian region. In close collaboration with the German-Romanian Chamber of Industry and Commerce, em&s has set up a program according to the needs of the delegation participants.

Transfers, accommodation and meals

Transfers, accommodation and meals are organized as described in the program. These services will be supported by Bayern International and your fees.

The hotels are in Munich and Memmingen city center.

Miscellaneous

Payment by cash card or credit card is accepted in most shops and restaurants, but not in taxis or some small shops.

Please prepare an umbrella and sturdy footwear. It might be rainy in Bavaria ☺ and we will visit construction sites. We will explore Munich and Memmingen in the evenings on foot and by underground.

Dress code: For meetings we recommend business or business casual, on evening come as you are.

We wish you a safe trip and are looking forward to meeting you in Bavaria!
