

German-Speaking Career Opportunities | TP Romania

TP Romania is expanding its German-speaking teams in Bucharest and Braşov.

We are looking for **German-speaking professionals** who want to build their career in an international business environment, working with global brands and multicultural teams.

With more than 20 years of experience in Romania, TP offers opportunities to develop your expertise, work on international projects and grow within a global organization.

We are looking for:

- German speakers, **B2 level or above**
- Strong communication and customer orientation
- Professionals motivated to develop in an international environment

Locations: Bucharest & Braşov
